LES INATTENDUES

(THE UNEXPECTED)

A musical, literary siesta

AN ARTISTIC PRODUCTION HALFWAY BETWEEN MUSIC AND LITERATURE

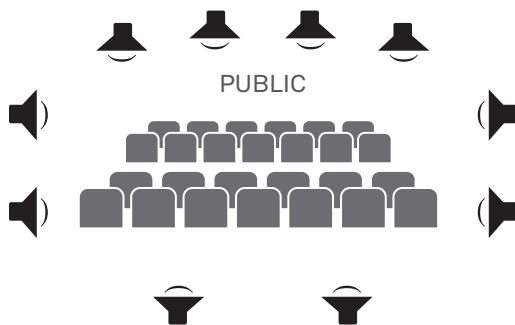

Designed from readings by contemporary authors, *Les Inattendues (the Unexpected)* stimulate the imagination via an immersive surround-sound system that puts the audience right at the heart of the story and the writer's universe.

While comfortably seated in a deckchair, in the dark or outdoor, sounds and ambiances come from all sides to invite the spectator to a genuine 360 degrees sensory journey.

NEW PRODUCTIONS TO BE ADAPTED IN DIFFERENT LANGUAGES
